

ABOUT THE PROGRAM

WHAT IS THE SECTOR PARTNERSHIP NATIONAL EMERGENCY GRANT (SP NEG) PROGRAM?

The program helps employers hire, train, and retain qualified workers. Golden Sierra offers a hiring incentive, in the form of a wage reimbursement, to offset the costs of training a new employee.

WHO ARE THE ELIGIBLE PARTICIPANTS?

Eligible participants are men and women with marketable skills who are currently out of work. They must meet Golden Sierra's dislocated worker criteria. Long-term unemployed individuals and returning veterans will receive priority.

IS MY BUSINESS ELIGIBLE?

This program applies to Placer and El Dorado County employers willing to hire, train, and supervise new employees. Businesses in the following industry sectors will receive priority: Construction, Manufacturing, Professional Services, and Health Services.

HOW LONG IS THE PROGRAM AVAILABLE?

Wage reimbursement is available for up to 6 months or until March 31, 2017.

HOW DOES THE WAGE REIMBURSEMENT PROCESS WORK?

Participants are your employees. They may work up to 40 hours per week at an hourly wage of \$12.50 or higher. Each month, the employer submits an invoice with copies of the employee's timesheet and paystub. Golden Sierra will issue a wage reimbursement check for up to 75% of the participant's wages.

HOW MUCH MONEY CAN I EXPECT TO RECEIVE?

The maximum reimbursement amount is \$5,250 per individual hired.

IS THERE A LIMIT TO THE NUMBER OF PARTICIPANTS THAT CAN BE PLACED WITH A SINGLE BUSINESS?

No. However, the number may be limited to ensure proper supervision.

IS THERE A LOT OF PAPERWORK INVOLVED?

The participant will complete eligibility paperwork and the employer will complete a contract and agree to submit monthly invoices for reimbursement.
