

NOW HIRING

Job Title: Water Damage Technician

The Expectations:

- Must be willing to be on-call on a rotational basis for emergency calls (this includes nights, weekends, and overtime as needed)
- IICRC certification preferred but will train the right candidate.
- Will need a clean driving record and be able to pass criminal background check.
- Should have knowledge of the power tools used in light construction and can operate them safely.
- Should be capable of working productively and independently at all times.
- All written work reports and forms must be accurate, provide the required information, and are submitted in accordance with the required schedule.
- Must present a positive image of CPR in all your professional contacts.
- Must maintain excellent rapport with co-workers as part of a team environment, provide assistance to others as required, and supervise subordinates effectively.

The Environment:

The environment is busy, hectic and can be very fast paced. Our customers expect us to provide our services with a sense of urgency. You will work independently much of the time, but will work closely with co-workers in certain aspects of your job and can provide valuable assistance to them to help maximize their effectiveness. While meeting the individual responsibilities of your position is your primary priority, you will be expected to be a positive, cooperative and contributing member of the Certified Property Rescue Team. We are successful to the degree we are all willing to do what needs to be done to meet the needs of our customer, in addition to the specific responsibilities of our position. In our fast paced environment, effective communications between employees and management, in an attitude of mutual respect, is essential. Your work, appearance, and attitude are expected to uphold our long-standing, excellent reputation.

The Responsibilities:

- As a Water Remediation Technician, you are responsible for completing various work orders and service calls as assigned to you by the Production Manager or on-site supervisor.

Job Type: Full-time

The current position of Technician has a typical pay of \$25,000 - \$40,000 annually

APPLICATION INSTRUCTIONS: To apply, please send your resume to jobs@goldensierra.com
