By law, WIOA Title II applications must undergo review by the Local Workforce Boards as indicated in the attached [Workforce Services Information Notice 16-26 \(WSIN16-26\)](#). Key components of that review, as indicated in WSIN16-26 and in Section E of the Local Plan, will include:

- Needs Assessment
- Alignment with One-Stop Partners
- Facilitate Learning in Context
- Partnerships and Support Services for Development of Career Pathways
- Alignment with the Local Workforce Development Plan

It is our hope that by providing this information early in the WIOA Title II application process we can help facilitate programmatic alignment in support of our joint efforts.

Sincerely,

Jason Buckingham | Executive Director
