

The Department of Personnel Services, Employment Services Division announces the exam for:

Senior Engineering Technician

Exam # 27958-C

Approximate Monthly Salary: \$4,870.26 - \$5,919.48

DESCRIPTION

The Senior Engineering Technician performs a variety of tasks related in the performance of sub-professional engineering office, design assistance, and drafting work, including assisting the professional engineering staff in mechanical, structural, electrical, or instrumentation technical support work; perform engineering support work involving environmental control system operations & maintenance and monitoring labor compliance, traffic usage analysis, plan & map checking, construction administration, drafting, condition compliance and conformance, and issuing permits and determining required fees. Assignments may include responsibility for an ongoing project or program or providing lead direction for the implementation of systems with program or function wide impact. The Senior Engineering Technician may also provide lead direction and exercise control over the work of other assigned staff where the work requirements are well defined and a volume of past practices and precedents exist.

MINIMUM QUALIFICATIONS

Any combination of experience and education or training that is likely to provide the required knowledge and abilities for this class. Typical ways to obtain the knowledge and abilities would be:

Either: 1. Three years of full-time experience in the class of a Engineering Technician in Sacramento County service.

Or: 2. Three years of sub-professional engineering experience involving public works facilities or structures work.

Education Substitution: Completion of coursework in engineering or related field at an accredited college or university may be substituted for up to one year of the required experience. Related education substitutions for the required experience are computed on the basis of 3 semester units or 4.5 quarter units = 1 work month.

**This is a continuous filing exam. The filing cut-offs are at 5:00 pm on:
2/25/2019, 3/11/2019 and 4/8/2019 (Final)**
