

The Department of Personnel Services, Employment Services Division announces the exam for:

Information Technology Division Chief

Exam # 27893-21-0

Approximate Monthly Salary: \$12,054.72 - \$13,290.12

DESCRIPTION

Under limited direction, the Information Technology Division Chief plans, organizes, coordinates and directs the operation of a division within the Department of Technology or in an organization with an information technology (IT) program. The duties involve providing overall leadership, direction, and guidance for the development and operational activities regarding the County's computerized information systems and telecommunications in compliance with County goals and business objectives.

MINIMUM QUALIFICATIONS

A Bachelor's Degree from an accredited college or university in computer science, information systems, business administration, public administration, or other closely related field;

AND

Three years of full-time paid experience at a management level that includes managing, planning, organizing, directing, supervising, and coordinating the work of one or more major functional units of enterprise, client/server or desktop network and systems organization. This experience must include responsibility for budget development, oversight, and control.

Note: Additional qualifying full-time paid experience as described above may substitute for the Bachelor's Degree on year-for-year basis.

Filing Deadline: 5:00 PM on December 22, 2021

IMPORTANT REMINDER REGARDING PROVISIONAL APPOINTMENTS

- Provisional employees in this class should file for this examination.
- Individuals in provisional positions must be reachable on the eligible list to be considered for permanent appointment.
- If a provisional is not reachable, it is the appointing authority's responsibility to take the appropriate action to terminate the appointment. Civil Service Rule 7.5 states, "Provisional appointments shall terminate within twenty (20) calendar days after the date on which the eligible list is established."
