# DIRECT CAREGIVING

## Be a part of something bigger!

Careers in direct caregiving provide the opportunity to positively impact the aging population and help improve their quality of life.

Join us today to learn about an industry with growth and professional development opportunities.

### **AH 109: Direct Caregiver Training** *3 Week Course*

Provides the initial 20 hours of training required to work in Residential Care Communities for the Elderly (RCFE).

### **AH 119: Careers in Direct Caregiving** *8 Week Course*

Provides 8 hours of didactic medication technical training and an overview of career pathways in RCFEs.
