

The Department of Personnel Services, Employment Services Division announces the exam for:

Airport Operations Worker *Revised

Exam # 27585-C

Approximate Monthly Salary: \$3,864.54 - \$4,698.00

DESCRIPTION

Under supervision, Airport Operation Workers perform a wide variety of general and routine duties in the areas of airport security, airfield operations, traffic/parking control, customer service, and other airport operations activities.

MINIMUM QUALIFICATIONS

Either: 1. One (1) year of experience working with customers in an airport, airbase, or other aviation related environment that included applying and interpreting rules or regulations related to airport operations, providing and explaining complex information related to airport operations, and regularly handling related complaints.

Note: Retail, restaurant, or hospitality experience in an airport, airbase, or other aviation environment is not qualifying.

Or: 2. One (1) year of experience performing safety/security duties with responsibility for monitoring and inspecting facilities, working with customers and applying and interpreting rules or regulations, providing and explaining complex information, and regularly handling related complaints.

Or: 3. One (1) year of experience performing traffic and/or parking control and enforcement duties with responsibility for working with customers and applying and interpreting rules or regulations, providing and explaining complex information, and regularly handling related complaints.

NOTE: Education from an accredited college or university in a field, such as Airport Operations Management, Aviation, or security, that is directly related to the knowledge and abilities specified for this class may be substituted for the required experience on a year-for-year basis (30 semester units or 45 quarter units = one year of experience).
