Quorum was established and meeting was called to order by Chair Larkey at 9:00 am.

Present: Rick Larkey (Chair), Michael Zimmerman (Vice-Chair), Carol Pepper-Kittridge, Laurel Brent-Bumb, Alexis Zoss, Martha Escobedo, Jason Buckingham (Ex-Officio)

Absent: None

Guests: Lorna Magnussen, Jennifer Kandi, Kathleen Burris, Terrie Trombley, Paul Castro

II. APPROVAL OF AGENDA

Motion to approve the agenda by Brent-Bumb, second by Zimmerman.

Motion approved unanimously.

III. CONSENT AGENDA

All matters listed under the Consent Agenda are considered to be routine in nature and will be approved by one blanket motion.

A. Approval of Minutes from August 18, 2016 EC meeting

B. Review Minutes from July 21, 2016 WB meeting

C. Attendance Log

Motion to approve the consent agenda items A-C by Zimmerman, second by Zoss.

Motion approved unanimously.

IV. PUBLIC COMMENT – FOR THOSE ITEMS ON THE AGENDA

None

V. APPROVE 2016/2017 FINAL BUDGET

Terrie Trombley highlighted changes made to the draft budget.

- Rapid Response/Layoff aversion funding was finalized
- Numbers came in a little bit higher than estimated
- Received some non-allocation awards:
\$150,000 Round 2 Disability Employment Accelerator Grant|
\$294,000 AB2060 Recidivism Reduction Grant
- Final budget presents a reduction in administrative expenditures which allowed rollover to reach near full funding

Trombley stated that it is a good solid budget with a nice rollover. She stated that the funds utilization requirement was lifted on the K6 allocation. That took the pressure off to get the K6 program money either in a contract or fully expended. It also allowed an increase in the award to El Dorado and Alpine Counties.

Motion to recommend the Final Budget to the full Workforce Board by Escobedo, second by Zimmerman.

Motion approved unanimously.

VI. FUTURE AGENDA ITEMS/NEW BUSINESS

Future Agenda Items:

- Next steps from the retreat
- Status on Regional Planning

New Business:

- Phase II Cost Sharing Memorandum of Understanding directive (Buckingham)

While Cost Sharing Agreements with all required partners in Phase I are necessary, the focus will be on Cost Sharing Agreements with all collocated partners in the Comprehensive One-Stop Center.

When the directive is released the Executive Committee will be provided a copy, and informed of the necessary action.

Phase I - Received a final signed copy from AARP so all phase I MOUs are taken care of and are in full compliance

- Release the RFI for the One-Stop Operator.

Buckingham stated that the partner meeting had been on hold pending direction on the One-Stop Operator. However, that since that process will take some time it may make sense to reopen those partner discussions

- Regional Planning

The process indicates that the regional plan should be completed prior to the local plan. However, time being short there are many things that will need to be done in concert.

In regards to regional planning efforts, the region has been meeting and discussing the need to work on the regional plan. They have a meeting coming up next week to discuss how to move forward on the regional planning effort.

Buckingham stated that there should be a strategy in place by the end of the meeting. He stated that it may involve hiring someone to do the regional plan writing. He also stated that it would be hard for the four local areas to write the regional plan; they would need someone to take the lead in tying all of the four regions together.

Larkey inquired when there would be opportunities for input. Buckingham does not have a timeframe as to when opportunities for input will occur but does expect some kind of comment period for this input to occur.

VII. NEXT MEETING

October 20, 2016 – 1:00 p.m., Roseville Connections

VIII. ADJOURNMENT

Meeting adjourned by Chair Larkey at 9:30 am.

Motion to adjourn by Zimmerman, second by Larkey.

1. Page 5 Please remove my name from the *Best Practices* and *Marketing* columns; at this time I can only work in *Training* column.
2. The two areas of interest for participating:
 - Strategic engagement of Industry clusters
 - Survey the chambers business improvement districts & economic development organizations.

Both tasks fall under the Partnership Research/ Business Engagement umbrella.

3. In general, much of the information was captured accurately and important and accomplishable tasks were noted.

While understanding this is a “draft,” I would be personally happy to edit and correct the grammatical and spelling errors.

Also, and please take this kindly, the document is verbose and should be modified.

GOLDEN SIERRA EXECUTIVE COMMITTEE

MEMORANDUM

DATE: November 9, 2016
TO: Executive Committee
FROM: Jason Buckingham, GSJTA Executive Director
SUBJ: Regional/ Local Plan – WSD16-07

On Sept 16, 2016 the EDD published Workforce Services Directive (WSD) 16-07 which covers the guidelines for both the regional and local plans. In the agenda you will find Attachment 3 to the directive which covers the specific contents required in each plan.

Included in addition to Attachment 3, is a proposed timeline that was prepared by the State Workforce Board Staff and presented at a staff development event on October 28, 2016. This proposed timeline leads efforts toward the plan submittal due date which is March 15, 2017.

The regional plan will require sign off from each of the local Board Chairs as well as each of the Regional Planning Unit's (RPU) Chief Local Elected Officials (CLEO). The local plan will require sign off from the local Board and the local CLEO. Understanding that this process will take some time the state has a planned final approval date of September 1, 2017.

The partners of the RPU will submit each local plan to the Lead RPU local area by December 15, 2016 so that the draft regional plan may be completed in time to meet the deadline.

GOLDEN SIERRA EXECUTIVE COMMITTEE

MEMORANDUM

DATE: November 9, 2016

TO: Executive Committee

FROM: Jason Buckingham, GSJTA Executive Director

SUBJ: Selection of One-Stop Operator/Careers Services Providers–WSDD-153

On September 30, 2016 the EDD published Workforce Services Draft Directive (WSDD)-153. This draft outlines the requirements for selecting One-Stop Operators as well as Career Service Providers.

As has been discussed, the One-Stop Operator must be competitively procured in accordance with WIOA Section 121(d)(2)(A). Additionally, the Operator has two distinct roles:

- Coordinating the service delivery of required AJCC partners and service providers.
- Ensuring the implementation of partner responsibilities and contributions agreed upon in Memorandums of Understanding - Phase I and Phase II.

An update on the competitive process for the One-Stop Operator will be covered in agenda item VII.

Secondly, the draft covers the selection of Career Service providers. The local boards select their Career Services providers by issuing contracts. Though encouraged, the Career Service providers need not be selected by competitive process. However, the process must follow the rules of procurement.

By law, the Workforce Board may provide Career Services only with approval of the Chief Local Elected Official (CLEO) and the Governor. The Golden Sierra region completed a competitive process in September of 2015, awarding contracts for Career Services to subcontractors in El Dorado and Alpine Counties and selecting the local Administrative Entity (Golden Sierra Job Training Agency) to provide those services in Placer County.

This Draft Directive adds the term “Administrative Entity” to the requirement for CLEO and Governor’s approval although that phrase is not in the law or the regulations. If, after the comment period, this interpretation remains we will need to seek this approval.

Though this is not an item that requires further action from Workforce Board staff to the Agency did want to bring it to the Board member’s attention for transparency purposes.

BACKGROUND

America's Job Center of CaliforniaSM (AJCC) locations are the core of California's workforce system. The AJCC Operators and Title I Adult and Dislocated Worker Career Services Providers play a critical role in ensuring that AJCCs are serving as an all-inclusive access point to education and training programs for a wide range of customers.

Local Boards must conduct an open and competitive process in order to select their AJCC Operators as stated in WIOA Section 121(d)(2)(A). Although not required, Local Boards are also strongly encouraged to use a competitive process to select their Adult and Dislocated Worker Career Services Providers as stated in WIOA Section 107(d)(10)(D). Undergoing a competitive process promotes efficiency and effectiveness of the AJCC Operator and Adult and Dislocated Worker Career Services Providers by regularly examining performance and costs.

POLICY AND PROCEDURES

The AJCC Operators and the Adult and Dislocated Worker Career Services Providers fulfill two distinct and separate roles within the local AJCC system. These roles may be filled by the same entity or different entities based on what the Local Board determines best for meeting the needs of its customers and demographic area, but, these must be clearly articulated as part of the competitive procurement and selection process.

In California, AJCC Operators are only responsible for coordinating service delivery among all AJCC partners and service providers within the Local Workforce Development Area (Local Area). By having the AJCC Operator act as the local service delivery coordinator, it allows Local Boards to focus on strategic planning and developing partnerships at the local and regional level.

Roles and Responsibilities

The role of the AJCC Operator is limited to:

- Coordinating the service delivery of required AJCC partners and service providers.
- Ensuring the implementation of partner responsibilities and contributions agreed upon in Memorandums of Understanding - Phase I and Phase II.

The role of the Adult and Dislocated Worker Career Services Provider includes:

- Providing basic career services including but not limited to participant intake, orientations, initial assessments, employment services, referrals to other partners and services.
- Providing individualized career services including but not limited to comprehensive and specialized assessments, case management, individual employment plans, career planning, and vocational counseling.
- Managing the daily operations in coordination with local fiscal agents for the lease, utilities, and other property activities in support of AJCC premises.
- Managing the hours of operation for AJCCs.

The responsibilities of both the AJCC Operator and Adult and Dislocated Worker Career Services Provider include:

- Reporting to Local Boards on operations, performance, and continuous improvement recommendations.
- Implementing policies established by Local Boards.
- Adhering to all applicable federal and state guidance.

To further support regional planning efforts, Local Boards may also choose to regionally select an AJCC Operator or Adult and Dislocated Worker Career Services Provider if operational conditions make it feasible. Selecting one AJCC Operator or Adult and Dislocated Worker Career Services Provider for all of the Local Boards in a Regional Planning Unit may help align, coordinate, and integrate programs and services on a regional basis. However, please note that there are certain restrictions Local Boards must adhere to when defining the AJCC Operator role. Within the defined roles and responsibilities, the AJCC Operator may not perform any of the following:

- Convene system stakeholders to assist in the development of the local plan.
- Prepare and submit local plans.
- Be responsible for oversight of itself.
- Manage or significantly participate in the competitive selection process for AJCC operators.
- Select or terminate AJCC Operators, Adult and Dislocated Worker Career Services Providers, and Youth Service Providers.
- Negotiate local performance accountability measures.
- Develop and submit budget for activities of the Local Board in the Local Area.

If the entity serving as the AJCC Operator also serves in a different capacity within the AJCC service delivery system (e.g. Local Board support), it may perform some or all of the functions listed above only when acting in its other role as long as there are clearly established firewalls and conflict of interest policies and procedures in place that conform with Title 20 CFR Section 679.430 (Title 20 CFR Section 678.620).

Definitions

For the purposes of this directive, the following definitions apply:

Conflict of Interest – An employee, officer, agent, or any member of the organization that has interest in a financial gain or tangible benefit and who participates in the selection, award, or administration of a contract supported by a federal award (Uniform Guidance Section 200.318[c][1]).

Firewall – An established policy or procedure that acts as a barrier or protection against an undesirable influence, outcome, or authority. Examples of firewalls include but are not limited to organizational arrangements that provide clear separation of duties and responsibilities, reporting hierarchy of managers and staff that provide clear separation between job duties and responsibilities, and conflict of interest/confidentiality/disclosure agreements.

Administrative entity – a unit of local government, corporation, or agency designated by a Chief Elected Official (CEO) to oversee and administer WIOA in the Local Area.

Internal Control – A process designed to provide reasonable assurance regarding the achievement of objectives in the following categories:

- Effectiveness and efficiency of operations.
- Reliability of reporting for internal and external use.

- Compliance with applicable laws and regulations.

(Uniform Guidance Section 200.61)

Competitive Process for Selection of AJCC Operator

Local Boards must select their AJCC Operator through a competitive process at least once every four years (WIOA Section 121[d][2][A]). As part of that competitive process, Local Boards are required to clearly articulate the expected role(s) and responsibilities of the AJCC Operator (Title 20 CFR Section 678.620[a]).

AJCC Operators may be a single public, private, or non-profit entity or consortium of entities. However, if a consortium of entities consists of AJCC partners, it must include a minimum of three of the required AJCC partners listed in WIOA Section 121(b)(1).

The types of entities eligible to be an AJCC Operator include (WIOA Section 121[d][2][B]):

- An institution of higher education
- An employment service state agency established under the Wagner-Peyser Act
- A community-based organization, nonprofit organization, or workforce intermediary
- A private for-profit entity
- A government agency
- Another interested organization or entity, which may include a local chamber of commerce or other business organization, or a labor organization

Local Boards must ensure that, in carrying out WIOA programs and activities, AJCC Operators adhere to the following (Title 20 CFR Section 678.600):

- Disclose any potential conflicts of interest arising from the relations of the AJCC operator with particular training service providers or other service providers in accordance with Uniform Guidance Section 200.318.
- Do not establish practices that create disincentives to providing services to individuals with barriers to employment who may require longer-term services, such as intensive employment, training, and education services.
- Comply with federal regulations and procurement policies relating to the calculation and use of profits as outlined in Uniform Guidance.
- Adhere to any applicable firewalls or internal controls.

When selecting an AJCC Operator, Local Boards are required to fully adhere to the federal procurement standards outlined in Uniform Guidance Section 200.318-200.326, as well as their local procurement policies.

Although the intent of WIOA is for all Local Boards to procure their AJCC Operators through a full and open competitive process, the Uniform Guidance allows for very limited instances in which alternate procurement methods may be allowed, if substantial justification is provided.

The following are allowable procurement processes under Uniform Guidance:

1. Sealed Bid - Uniform Guidance Section 200.320(c)
2. Competitive Proposals - Uniform Guidance Section 200.320(d)
3. Sole Source - Uniform Guidance Section 200.320(f):
 - a) The AJCC operator services are only available from a single source.
 - b) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation.
 - c) After solicitation from a number of sources, competition is determined to be inadequate.

Whichever procurement method is used, Local Boards must retain extensive written documentation of the procurement process from beginning to end. Local Boards must also make available to the public, through electronic means and open meetings, information regarding their selection of AJCC Operators (WIOA Section 107[e]).

If a Local Board or administrative entity wishes to participate in the competitive process then the appropriate internal control, conflict of interest, and firewall policies must be put in place and adhered to throughout the duration of the procurement process. This includes, but is not limited to, the requirement that solicitation and scoring be managed by a fair and impartial third party who is free of any conflict of interest (real or perceived). In other words, Local Board staff or the agency that employs such staff cannot in any way be involved with or connected to the development of the solicitation, the facilitation of the scoring process, or the scoring of proposals.

All AJCC Operators must be in place and operating in the AJCCs no later than July 1, 2017 (Title 20 CFR Section 678.635).

Request for Approval to be AJCC Operator

If a Local Board or administrative entity competes to serve as the AJCC Operator and is chosen through an appropriate procurement process, they may be designated as an AJCC Operator only with the agreement of the CEO and the Governor [WIOA 107(g)(2)]. In order to be considered by the Governor for designation as an AJCC Operator, the CEO must submit a Request for Approval to be AJCC Operator application (Attachment 1) along with the required supporting documentation to the State Board **by March 1, 2017**, through one of the following methods:

Mail:	California Workforce Development Board P.O. Box 826880 Sacramento, CA 94280-0001
Overnight Mail/ Hand Deliver:	California Workforce Development Board 800 Capitol Mall, Suite 1022 Sacramento, CA 95814

The local CEO will be notified in writing by May 1, 2017, regarding the approval or denial of the proposed Request for Approval. If approved, the designation will be effective immediately upon approval.

Title I Adult and Dislocated Worker Career Service Providers

Local Boards are responsible for identifying eligible Adult and Dislocated Worker Career Services Providers. The WIOA Section 107(d)(10)(D) states that if the AJCC Operator does not provide the Adult and Dislocated Worker Career Services described in Section 134(c)(2), the Local Board must identify eligible providers of those Adult and Dislocated Worker Career Services in the Local Area by awarding contracts. Procurement of Adult and Dislocated Worker Career Services Providers must follow the appropriate competitive selection process based on local procurement policies and the policies and principles of competitive procurement specified in Uniform Guidance Section 200.318-200.326.

All Adult and Dislocated Worker Career Services Providers must be in place and operating in the AJCCs no later than July 1, 2017.

Request for Approval to be Adult and Dislocated Worker Career Services Provider

A Local Board or administrative entity may be designated as an Adult and Dislocated Worker Career Services Provider only with the approval of the CEO and the Governor (WIOA Section 107[g][2] and Title 20 CFR 679.410[b]). Approval under this provision would serve as the agreement by the Governor and would exempt the Local Board from selecting Adult and Dislocated Worker Career Service Providers through a competitive process by allowing them to fulfill the role themselves. In line with the time period of selecting of AJCC Operators, if a Local Board receives approval to provide Adult and Dislocated Worker Career Services that approval will be valid for a maximum of four years, after which time another request must be submitted.

If a Local Board or administrative entity wants to provide Adult and Dislocated Worker Career Services, the local CEO must submit the Request for Approval to be Adult and Dislocated Worker Career Services Provider application (Attachment 2) and the required supporting documentation to the State Board by March 1, 2017, through one of the following methods:

Mail: California Workforce Development Board
P.O. Box 826880
Sacramento, CA 94280-0001

Overnight Mail/
Hand Deliver: California Workforce Development Board
800 Capitol Mall, Suite 1022
Sacramento, CA 95814

The local CEO will be notified in writing by May 1, 2017, regarding the status his/her request. If approved, the designation will be effective immediately upon approval.

GOLDEN SIERRA EXECUTIVE COMMITTEE

MEMORANDUM

DATE: November 9, 2016
TO: Executive Committee
FROM: Jason Buckingham, GSJTA Executive Director
SUBJ: One-Stop Operator RFI Update

As indicated in the previous agenda item, On September 30, 2016 the EDD published Workforce Services Draft Directive (WSDD)-153. This draft outlines the requirements for selecting One-Stop Operators as well as Career Service Providers.

As has been discussed, the One-Stop Operator must be competitively procured in accordance with WIOA Section 121(d)(2)(A). Additionally, the Operator has two distinct roles:

- Coordinating the service delivery of required AJCC partners and service providers.
- Ensuring the implementation of partner responsibilities and contributions agreed upon in Memorandums of Understanding - Phase I and Phase II.

The WIOA draft regulations require that a competitive selection process begin no later than 90 days after publication. On August 24, 2016, the Executive Committee approved the release of a Request For Information (RFI) in hopes of informing the competitive process and to assist in determining market rates. On October 24, 2016, the RFI was released closing November 7, 2016. An update will be provided.

Re: Golden Sierra Job Training Agency
Survey of Interest regarding applications to be the Local
One-Stop Operator under 20CFR678

Dear One-Stop Partners, Service Providers and members of the general public:

The Golden Sierra Workforce Development Board (GSWDB) is the Governor's designated Workforce Development Board for the Golden Sierra Workforce Development Area (GSWDA) including Placer, El Dorado and Alpine Counties pursuant to the provisions of the federal Workforce Innovation and Opportunity Act (WIOA). In this capacity, the GSWDB in concurrence with the Governing Body of the Golden Sierra Job Training Agency is charged with the responsibility for selecting its One-Stop Operator or Operators through a competitive process every four years. One-Stop Operators are defined in Subpart D: One-Stop Operators; part 678 of Title 20 of the Code of Federal Regulations (20 CFR 678).

The Golden Sierra Job Training Agency (GSJTA) is preparing to issue a formal request for proposals on behalf of the GSWDB for its One-Stop Operator selection process; however, before committing to the time and expense of a formal competitive procurement process, GSJTA wishes to test the market to determine the level of interest by qualified parties and potential costs associated with serving as a One Stop Operator under contract for this Area.

GSWDB has defined the role of the One Stop Operator in alignment with the WIOA as *"coordinating the service delivery of required one-stop partners and service providers"*. The One Stop Operator will facilitate communication, systems alignment, quality of service delivery and the development of cooperative relationships in order to achieve a Comprehensive One Stop delivery system

The One-Stop Operator may be a single entity (public, private or non- profit) or a consortium of entities. If the consortium consists of One-Stop Partners as defined in the WIOA, the consortium must consist of a minimum of three defined One-Stop Partners.

If you are interested in submitting a proposal to serve as a local One-Stop Operator, please confirm your interest not later than close of business, Monday, November 7, 2016, by 5:00 pm by submitting your proposal to info@goldensierra.com.

Please include a brief statement of your qualifications, a cost range for the services you intend to offer, and if you intend to bid as a consortium of One-Stop Partners please identify the two additional qualified consortium partners you will be working with.

Any question pertaining to this RFI can be submitted to info@goldensierra.com; responses to all questions will be posted on the on the website at rfp.goldensierra.com.

While the GSJTA currently believes it will only be contracting for the minimum services required of a One-Stop Operator, it is open to consideration of a more comprehensive role for the One- Stop Operator. In that regard, if you wish to outline your vision of a more comprehensive role for the One-Stop Operator please include that outline in your response, together with an estimated cost range for the services you envision and your rationale for why this more comprehensive plan should be considered by the GSWDB.

This letter is not intended to serve as a Request for Proposal. This survey of interest does not in any way guarantee that GSJTA will issue an RFP or that you would qualify or be selected as a One-Stop Operator if an RFP is issued nor does it prohibit those not responding to the RFI from responding to an RFP if issued. Thank you in advance for your interest.
