

AI-101: GETTING STARTED WITH CHATGPT

Instructor-Led • Live via Zoom • 90 Minutes

AI-101 is a non-technical course for everyone — no IT or coding background needed.

Learn how to use ChatGPT safely and effectively to simplify work, spark creativity, and communicate with more confidence in today's digital world.

You only need a computer, internet connection, and a free ChatGPT account to get started.

Future-Ready Starts Here
