

Our Program Will

# JUMPSTART YOUR CAREER IN TECH

Join other Veterans, Reservists, and their Spouses in California that have transitioned to a new career path through NPower.

## DEVELOP THE IN-DEMAND TECH SKILLS YOU NEED—FOR FREE! Now serving the greater Sacramento area

In this IT program you will master the basics of IT networking, troubleshooting, infrastructure and more including:

18 weeks of **interactive virtual training** with live instructors

Job placement opportunities: **direct placements, paid internships and apprenticeships**

Earn industry recognized certifications:  
**CompTIA ITF+, Microsoft Azure & Google Certificates**

Exposure to **Microsoft, Google, Cisco, AWS** and other leading technologies

**Networking with senior level IT professionals** through NPower's mentorship program, NPowerMATCH

**Employment readiness workshops and professional guidance** to prepare for job searching, interviews, and higher wage IT careers

**Job placement** assistance with access to a wide range of top employers

A full range of **ongoing social service** including guidance navigating challenges with VA Benefits, financial hardship, mental health, housing, food insecurity, childcare assistance, and more

*"My time at NPower provided me with the opportunity to learn about myself, developing new hard skills obtained from knowledgeable tech instructors and learning new soft skills such as leadership and adaptability through Professional Development. I am very excited to continue this journey as a Cloud Computing trainee and start my career in IT utilizing and applying the knowledge obtained through NPower!"*

**Xenia Santana, Veteran Spouse**  
**NPower Fall 2023 Alum**

Current Cloud Computing Trainee
