You will assist with daily store operations including:

- Interacting with customers via phone, walk-in, email
- Small parcel and LTL shipping/receiving
- Organizing/stocking inventory and showroom
- Maintaining an inviting, clean, safe environment for customers and staff
- Light assembly of kits/composites/systems
- Anything else that comes up!

#### **Required Skills**

Applicant must have:

- Reliable transportation
- Dependability to work scheduled hours
- Good communication and interpersonal skills
- Good independent problem-solving skills
- Strong computer skills including Microsoft Office

Significant Experience or Proficiency in one or more of the following:

- Retail Sales/Customer Service
- Small Parcel and/or LTL shipping/receiving
- Material handling, product inspection and packaging

## **Desirable Experience/Skills**

Not required, but may be considered an asset during the interview/hiring process:

- Retail store operations
- Technical support/troubleshooting of products and their applications
- Fire pumps, firefighting equipment and related accessories
- Water pumps, water treatment and/or related water products
- eCommerce platform sales/fulfillment (Amazon, Big Commerce, eBay, etc...)
- Bi-Lingual

## **Physical requirements**

Applicant must be able to:

- Stand & talk for extended periods of time
- Routinely lift 30-50 lbs. safely
- Safely operate hand trucks, pallet jacks and other material handling equipment
- Successfully complete forklift training and certification

## **Company Description**

A Manufacturer, Retailer and Worldwide Distributor of fire pumps & firefighting equipment, water treatment equipment, and related products.

Founded in 1998, we supply consumer, commercial and governmental customers locally, across the US and around the world.
